

**The Texas African American Family Quilt Project**  
**Information and Photograph Release Form**

**Instructions:** The Texas African American Family Quilt Project (TAAFQP) require your permission to use and archive the information and photographs you have provided. This information, along with photos of your quilt will be made possible to the public thru publication via internet website or a print document strictly for archival purposes only.

Please initial one or both of the entities to whom you wish to release your information.

\_\_\_\_ I give permission to the \_Laura Casmore /TAAFQP\_ of Port Arthur, TX to use the information on this form and photographs of this quilt for documentation and historical archival of these materials as is deemed appropriate for research and educational use, including print and Internet publication.

I hereby release to the TAAFQP the information on this survey form for use in its database. I understand that the project may make this information available to qualified scholars for research or similar not-for-profit, educational purposes including print publications, exhibitions, and Internet websites. I hereby give permission for my contact information to be released as indicated below. (Choose one of the following).

Option 1: My contact information may be provided to anyone for any reason as deemed appropriate by the TAAFQP including posting it on a future website.

\_\_\_\_ Option 2: The contact information listed above may be provided to public programmers and researchers who coordinate festivals, exhibits, and other events so that I can be contracted for such events, but only general information about my biography and tradition will be posted on the website

Option 3: The artist information listed above may be added to the database, but will not be released to programmers or researchers outside of the TAAFQP.
